I. QUESTIONS/ANSWERS

Q1: We were dealing with Interwork and were in the process of submitting a bid but noticed there are 2 part numbers for maintenance, one for initial and one for renewal maintenance. However the excel spread sheet 3405-19-0149 Appendix “C” there is only room for 2 lines one for the license and the other for the annual support.

Are we able to alter the excel spread sheet to account for the initial annual support from Jan1 2018-Dec 2018 and the renewal business support Jan 1 2019 –Dec 31 2019

A1:

873-011052 877-001664 Together	Novell Client Access licenses (Client 4.91 SP5 for Windows or latest) including first year maintenance and support on new licenses
877-001664	Annual maintenance and support on each license
