Please refer to the above Tender Call document in your possession and be advised of the following:

1.0 QUESTIONS & ANSWERS

1.1 *Question:*

We have been asked to provide a quote for this tender. Will the City accept alternate manufacturers for the power system other than the one specified?

Answer:

Yes, the City will consider alternative power systems other than the one specified. On page 116 of 208, Section 16620 Item 1.5.3 of the tender, it states:

"Alternate system suppliers shall be considered, provided entire design criteria is included, maintained, and not limited to size, weight, dimensions, etc. Any changes, no matter how minor, shall be the responsibility of the Contractor including any Mechanical, Electrical, Structural, and/or Architectural alterations complete with associated costs."

The procedure for this is as follows:

"PROPOSED SUBSTITUTIONS DURING TENDER PERIOD:

The award shall be based on the Products specified in the tender documents. Alternate materials that are not listed may be proposed as a substitution after the award as follows:

.1 Where the specifications require the Contractor to supply a Product designated by a trade or other name, the Tender Call shall be based only upon supply of the Product so designated, which shall be regarded as the standard of quality required by the specification. **After the award**, the Contractor may apply to the Contract Administrator to substitute another Product identified by a different trade or other name for the Product designated as set out above. The application shall be in writing and shall state the price for the proposed substitute Product, and such other information as the Contract Administrator may require.

.2 **Rulings on a proposed substitution Product will not be made prior to the award.** Substitutions shall not be made without the prior approval of the Contract Administrator. The approval or rejection of a proposed substitution Product will be made at the discretion of the Contract Administrator."

End of Addendum 1

Should you have any questions please contact Renato Buensuceso at (416) 392-4315, or by email Renato.Buensuceso@toronto.ca

Please attach this addendum to your Request for Tender document and be governed accordingly. Bidders must acknowledge receipt of all addenda on the space provided on the Tender Call Cover Page as per the Process Terms and Conditions, Section 1, Item 10 - Addenda, of the Tender Call document. All other aspects of the Tender remain the same.

Yours truly,

Joanne Kehoe
