I. Questions & Answers

Q1. Further to your addendum 1, we are still not clear of the drawings completely applicable for the culvert replacements for 267,274,661 and 668. We therefore ask your attention and providing us with the a list of drawing numbers and title applicable separately to the appropriate culvert location of 267,274,661 and 668 so that nothing is missed from covering the scope of work applied individually to the culvert location.

A2. Please find attached a separated list by culverts as requested below:
